

TBF of CT Monthly meeting minutes of July 17, 2014

Present were: Southeast, Bio Bass, Valley, Bass Fin-addicts, Mid State.

Minutes were accepted as written.

Youth Report: Two going to the Junior Nationals.

Tournament Report: 14 fished the Summer Sizzler Open.

The state has set up the tournament permit process on line. Jeff will register to use this process.

August 14th is the two day pairings at Cabela's.

Candlewood Lake is concerned that we keep zebra muscles OUT. They are already in Zoar & Lilly. Whatever we do we need it to be done at both public and private launched. Suggesting that we wash boats as they leave the launch.

State Team: Meeting on August 14th at Cabela's just before the pairings meeting.

Fishing the Divisionals will include Canadian waters.. Need passports and to call when entering Canadian waters and call U.S. when returning. We will get more info when we get there.

Al Gagliarducci, Steve Bender, Dino Moutogiannis, Mike Johnson and Ron Parker have either resigned from the State Team or a position to replace a resigned member. Don Coffin and Jim Canning will be alternates as of now. Norm Boucher is next in line.

A motion was made by D. Coffin, second by N. Boucher to accept the committee reports. Passed.

Old Business:

A motion was made by N. Boucher; second by D. Coffin that we provide the 2 anglers going to the Junior Nationals \$500 each to attend the tournament. Rich Suhie spoke up and stated he would like to sponsor one of the Junior anglers and he would pay the \$500 for one. The motion passed to fund these junior anglers.

New Business:

Since there were no other contenders the secretary cast one vote for the 2015 tournament director - Jeff Misaiko & Keith Cleary.

We will be setting the 2015 trail next month. We will endeavor to use the online permit process.

Respectfully Submitted,

Amy Perry, TBF of CT Secretary
