

TBF of CT monthly meeting minutes of April 21, 2016

Present were Southeast, Fishing Crew, Southern, Mid State, Bass Fin-addicts.

Minutes were approved as written.

Tournament Report: For the first tournament of 2016 we have 25 boaters and 23 non boaters signed up. Boats in the water by 6:30am. Boaters make sure you have back seats and non boaters make sure you have your life jackets with you.

State Team: Mandatory tram meeting in August. Motion made by J. Marks to accept the reports; second by J. Sherman – motion passed.

Old Business:

Ranger boat cushions still available – contact Fred.

Lowrance paperwork submitted to National – great job, should get product soon.

Chris Novack donated mesh weigh in bags to TBF – THANK YOU!

Hunnin'birds are both gone. Cabels' gift card still there.

Fred would like to get short videos on the website for all National Sponsors.

Rich Baker and Tony Viccaro had a tough tournament at the Nationls. Both finished in the middle of the pack.

New Business:

National Semi Finals plans are going forward for the second week in October. The first week in October is not good – Hartford has a regatta scheduled for Oct. 2nd. Rhode Island and New Jersey are for fishing the Ct. River.

A motion was made by D. Gambardella; second by N. Boucher to get a permit out of Haddam Meadows for Oct. 8 & 9. Motion passed.

The two day was discussed – keep it the way it is scheduled was decided.

Question: If during the National Semi Finals a boat breaks down – what happens to non-boater?? Alt. boater change to boater??? How does that work???

The TOP 12 at the N.S.F. – the TBF will pay lodging and food.. may-be a BBQ at the end of the tournament?? We will be talking to Cabelas about the pairings meeting and possible banquet.

Possibly set a date to have a meeting to explain the N.S.F.????

Respectfully Submitted,

Amy Perry TBF of CT secretary
