

TBF of CT Monthly meeting minutes of August 18, 2016

We closed the meeting and went to the pairings for the two day championship.

Present were: Midstate, Valley, Bio Boss, Southern, Southeast, Fishing Crew and Bass Fin-addicts

Respectfully submitted,
Amy Perry TBF of CT Secretary

Minutes were accepted as written.

Tournament Report: The list of the winners of the trail events can be found on the ct-tbf.com website.

The 2016 State team members have made their three meetings and other requirements to be able to go to Canada next month. Billy Naples went to a non-boater and Jake Rocznik moved up as a boater. Dom asked about Russ P.'s boat and Fred stated that it will be ready for the Divisional.

Old Business:

We have a 3 bank battery charger, a helix 5, six TBF rods and a Helix 9.

Fred stated that clubs can mix and match boaters and co-anglers for the upcoming National Semi Finals. Each club can send TWO anglers – but they can work with another club if they need a boater or co-angler, for their buy-ins.

The secretary cast one vote for Steve Martins to be the Tournament Director for the TBF trail for 2017.

New Business:

Fred reported from the Presidents' meeting that some states have gained in membership with the new NSF format... and some have gone down. The presidents asked if their meeting could go back to the Nationals. Robert said no, but if it does he stated "You will have to work!!"

National Youth Dir. Mark Gintert will be retiring at the end of the year.

Jamie Verab contacted the board of directors about the conflict in the scheduling of both of our championships the second week in Oct. He stated he joined just to fish the two day and the National Semi Finals. With the current conflict he will not be able to fish and would like us to put his 2016 dues to 2017.
