Minutes were approved as written.

Tournament Report: The April 24th tournament: A Division was won by Alex Wetherall; B division by John Horbal. 33 in A and 15 in B.

The May 22 tournament has 15 open boats at this point. The Candlewood Lake tournament is out of Lattins Cove.

Our Open on May 5th had 13 boats. The winning weight was 28.21 pounds. Lunker was an 8.7 Largemouth.

The gator clip attachment wire for the digital remote reader of the scale is broken. Will look into getting it fixed. Keith to contact scale company.

State Team: Had a meeting after the first tournament and another is scheduled for after the Zoar tournament.

Dom to send a question to Sean at Ontario about calling going in and out of US & Canada waters. Dom will cc Fred for follow up.

June 26th meeting – bring passports or copies to verify everyone having up to date passports. Dom will email team to remind them. Will get lodging and contact info.

Dom G. made a motion to let two team members arrive to the Divisionals on Sunday morning. They will need to contact team with their ETA two days before. Second by Jim S.; Passed.

Keith had a computer crash – will need to contact the team to get them to confirm volunteer obligations.

Question: Can states that are only sending one team to the Nationals let them practice the days the other states are fishing to qualify one team for the real Nationals???

Fred will check into this.

Old Business: Still have Ranger boat throw cushions. 2015 Lowrance contract has been fulfilled – still waiting on product. This years' Lowrance contract will end at 12-31-16.

THE National Semi Finals has been set for Oct. 6 to Oct. 9, 2016 on the Connecticut River out of Haddam Meadows. Permits have been submitted. Motels available in Middletown.

New Business: Keith will not be able to be tournament director in 2017. He could do the trail , but not the Opens.

Respectfully submitted,
Amy Perry TBF of CT Secretary
