Amy Perry TBF of CT secretary

Present were: Bio Bass, Mid State, Fishing Crew,  
Southeast Bass.

Minutes were approved as written.

### Tournament Report:

First Open of the year is coming up, March 25<sup>th</sup> on  
Candy. We have two entries for March 25<sup>th</sup> and  
one for the second Open.

Still waiting for Lowrance sponsor product. Fred  
will email Tonya to see when it will arrive.

We still have an 80 pound thrust Minn kota  
trolling motor.

Fred spoke with the President from New Jersey this  
past week. N.J. seems to have just found out the  
NSF is scheduled for the week after Labor Day. He  
says his membership doesn't like the date. He was  
notified of the date 2 months ago... seems he only  
just told his membership.

Amy presented a bill for \$167.85 for the check up  
and retro fit on the scale.

Amy has ordered the first banner and is waiting  
for it to be delivered. They are pricier than she  
thought.

Still looking for a member to step up and run 3 of  
the opens.

Jared Trimboli, a TBF of CT member has proposed a  
sponsor package from Napier Outdoors. They  
make tents that fit in your truck beds. He brought a  
proposal to us that offers' a quarterly raffle for one  
of their products and a tent for the winner of the  
2018 TBF trail. This was discussed and voted on.  
The motion for sponsorship passed.

A motion was made and seconded to give the  
anglers going to the Nationals \$700 each. The  
motion passed.

Next month we will bring the scales to the  
meeting so we can practice before the season  
starts.
