State Team: There will be a meeting in a few weeks and contracts will be signed.

A motion was made by Jim S., second by Jerry M. to accept committee reports - motion passed.

State Team: Members are required to make three meetings before the Divisionals. The State Team will be financed as funds allow. Members might have to pay their own way to and from the Divisionals. We have 5 Opens scheduled this year and with increased membership and participation in C division and the two-day funds should be higher this year.

Each year we take two alternates. With the accommodations this year Amy will be the

second alternate. She will be cooking for the team all week and fishing during practice.

Sponsors: Lowrance will be a TBF sponsor again in 2011. Solar Bat will be too.

Representatives going to the Nationals asked for expense money to get them to Tenn. and back. Dom and Steve will be traveling together and it was approved to front \$1,000. (To return with receipts to show using the funds). Fred & Amy will get reimbursed when they return.

Jim Canning is working on getting TBF State Sponsors. He also has been talking to a club or two that may join.

Respectfully Submitted,

Amy Perry TBF of CT Secretary
