

TBF of CT monthly meeting minutes  
July 21, 2011

Present were: Bio Bass, Southeast, Bass Fin-addicts,  
Southern and Schaghticoke,

Minutes were passed as written.

Treasurer's Report: The youth account has \$691. In it and is owed \$240.00 by J. Dingle for sunglasses he has.

Youth Report: M. Toohey can not attend the Junior Nationals in August. Peter Wilson will take his place. There was discussion on how much money we have to give the Juniors to go the Jr. Nationals. The next tournament is on August 7<sup>th</sup> at Candlewood.

Tournament Report: Saturday's open on Candlewood has been changed to the River.

The last trail tournament for 2011 is coming up. The Two Day is August 27 & 28. Larry needs to get the application made.

Larry is not running for tournament Director for next year. We need someone to step up to runt he trail for 2012.

State Team: Joe Rackiewicz withdrew from the 2011 team for health reasons. This changes the boaters and adds an alternate to the team. If we can't get anyone to go it will leave Amy as the only backup we have. Cheryl K. will be helping Amy with the cooking.

Motion to accept the minutes was made by Jeff M., second by Joe R. Passed.

Old Business:

A motion was made to give the Juniors \$600. Each to go to the Jr. Nationals. The motion passed. It was noted that J. Dingle still has \$240.00 worth of the fund raising sunglasses of the Junior Club. Since his daughter was going to the Jr. Nationals the allotment to her was decreased by the \$240.

New Business:

At our second open we did not do the State paper work correctly for the Zebra Mussels. Our future permits were suspended until we resolved the issue. Fred & Larry need to write letters to DEP to explain how we are going to correct this issue. Once DEP

gets this info they will decide if we can have permits on Candlewood. If you clubs have Candlewood tournaments you need to get your boaters to be aware of the zebra mussel problem and wash their boats and trailers before going on Candlewood from infected waters. We are trying to keep Zebra Mussels out of our biggest lake.

Respectfully Submitted,  
Amy Perry TBF of CT Secretary
