

## **TBF of CT Monthly meeting minutes for April 17, 2011**

Present were: Bass Fin-addicts, Bio Bass, Midstate, Southeast Bass, Southern Ct.

Minutes from the March meeting were approved as written.

Youth: Our lone youth club has been registered for this year. Dom stated he may need boat captains for the junior tournaments.

Tournament Report: We have 16 boats signed up for the first tournament of the year. 12-14 in C division. Joe R. will be check in boat. Amy asked for the old boat numbers to be returned to her.

Info from the Nationals: Cabela's has signed on as a full sponsor for National TBF. All TBF members are encouraged to sign up for Cabela's Angler Cash. Go to Cabelas.com choose the item "Sponsored Events" and the first choice is Cabela's Anglers Cash. Fill out the form and submit.

Ranger Cup is good for the TBF of CT state trail.

New Business:

Junior Boat Captains need to be National & State Senior TBF members.

National TBF are in the process of forming High School fishing clubs. They have a workbook a teacher could use to run the club.

National TBF will have plaques and the like available on their website store soon. As well as shirts for the Junior Clubs.

National TBF would like all the states to have a face book page.

Fred is still trying to get a handle on exactly what the benefits are to have the platinum membership offered thru TBF. Fred is in hopes of getting National to give us a dummy number and put the Hartford zip code in and see what deals would be available in a 100 mile range.

Respectfully submitted,

Amy Perry TBF of CT Secretary
