At tournaments we need a list of committee members and an agenda &/or boaters meeting.

Motion to accept reports as given. Motion by Jim Canning; second by D. Gambardella.. Passed.

OLD BUSINESS:

Jim Canning brought in the shirts he had donated for the officers. Thanks you Jim Canning. The same shirts can be bought by clubs for \$69. Each (TBF of CT will get \$6.00 a shirt as a fund raiser).

Fred wrote the thank you for the funds we have received for the scale. Scale people need a testimonial from us on our success of our new scale system.

Point Sebago has offered a meal plan for the Divisional. They are offering 4 diners and 5 box lunches for \$99. We are not interested.

NEW BUSINESS:

The Mass. TBF is holding a High School Championship June 12 on Congamond. They have invited Ct. & R.I. to join the tournament. National has a High School League now available - the membership fee is \$25.00 per student.

Respectfully Submitted,
