Tournament Dir.: We had 18 boats at the last Open. Dino M. & Mike Y. worked this last Open. Jeff stated he needs more help in the mornings. At this Open we had a boat break down. One of the anglers called the Tournament Dir. And demanded to be towed in right NOW.. He got mad and started swearing. Jeff said he would get them at the end of the day.. Jeff called him back within 15 minutes to say he would come get him new - and he already had someone else towing him in.

There were comments about the Trail tournaments: The suggestion of having an on the water meeting BEFORE take off to go over rules for the day. ... Where the weigh in will be & bring your fish up TOGETHER. The last tournament on Candlewood.. Boats were checked in but did not launch - GET in the water... there are other tournaments starting at various times and you may not make it in before the start of OUR tournament. State Team meeting at the launch at the last tournament. Scott Janus has dropped off the team and will be replaced by Peter Bates. (Dino M moves up to angler - Jim C. to 1st alt. - Peter B. to 2nd alt.)
