

TBF of CT Monthly Meeting minutes held
July 18, 2013

Present were: Southern, Bass Fin-addicts,
Southeast, Valley

Minutes were passed as written.

Tournament Report: Jeff received two thank you texts after the River Open. Amy sent the scale to be repaired and it was returned within a week. The repairs were free. It only cost the TBF shipping.

Jeff said next year members will HAVE to get their APPLICATIONS in ON TIME! No more late entries will be accepted!!

One Open entry received for the July 27th Open.

Youth Report: We have two anglers heading to the Jr. Nationals in August. It was proposed to allot \$500 each to attend. It was voted on and passed.

It was suggested that CT host the 2014 Tri-State Fish Off for the Kids. Usually held the last week in June. Amy said she would look into it.

The Ct. River Open that N. Boucher put up the \$1,500 first place prize pulled 15 boats. Rescheduling the date hurt us!!

There was a motion made by Jeff Misaiko to reduce the bag limit on Candlewood to 3 fish. It was voted upon and passed.

New Business:

On the website is there a way to put a comment link?
What do you want to see for the Trail ...

There was discussion on changes in the C Division and ways to increase participation in the TBF Trail and fishing for the State Team. There will be an e-mail sent out with specific options.

Respectfully Submitted,
Amy Perry, Secretary TBF of CT
