Old Business:

State Team lodgings will be at the Wesley Suites in Middletown for \$3,200. Amy will check My Father's Place in East Haddam to see if they would be a better deal.

Lowrance, Solar Bat and Fishity have sent sponsor contracts to be signed & returned. Lowrance is looking for everything digital this year. Short videos on the website and in the annual write-up. Solar Bat is offering discounts at different rates for membership.

Website: Amy can't do it her self, Peg will be doing it and it will get better as we go.

Dream Team Rally Tournaments will be happening again this year. We are still waiting for final info. FLW membership has to be done when signing up for TBF membership. NO EXCEPTIONS. We should bring this up at the Fall Opens - Before they renew in January. May-be get together a questionnaire to see if there is any interest in the Dream Team Rallies. Once we have all the info we will get it out...

New Business: Amy mentioned that there is a company taking used plastics and making lures for kids. Amy will collect and send to get re-processed.

Fishity is an app for smart phones.. It gets you in touch with others fishing where you are to share info.

Cabela's does not have a contract out yet.

There was discussion on additional payouts for the June 2nd Open. Fred said he would work on it and get it out by the weekend.

Respectfully Submitted,
Amy Perry, TBF of CT Secretary
