

TBF of CT monthly meeting minutes for October 17, 2013

Present were: Valley, Southeast, Bio Bass, Midstate, Bass Finn-addicts.

Minutes: Were approved as written.

Tournament Report: Upcoming Open has three pre-entries. R. Baker & D. Gambardella will be working this one.

State Team: Amy & Fred went to Clayton N.Y. to look for housing for the 2014 State Team. We found what looks good for approx. \$3,000. It will be firm when National has a signed contract with Clayton.

Old Business:

We need to do a video, submit it to National and post it on the website for Lowrance. Is there a member that could head this project????

Daryl Byron is looking for a refund for the Open that we rescheduled in the spring. He called both Fred & Jeff and admitted he did not respond to Jeff's call this past spring and let him know they would not fish the rescheduled open. It was decided that he will be more of a problem not to give the money back. So it will be returned and he would be told not to pre register in the future - just sign up at the ramp.

Jeff & Keith will work on wording for refunds for the Opens for the future.

Fishing Show at the Convention Center is Feb 14 - 16, 2014. We will be looking for volunteers to work this show, as well as a show to be set up at Cabelas.

There was discussion on the need for a dues increase. After discussion it was decided it was too late for this year and it should be revisited in July of 2014.

Members running for Federation Officers:

President - Fred Perry
Treasurer - Rich Suhie
Secretary - Amy Perry

Any other members who wish to run should announce this intention by the November meeting.

Respectfully Submitted,
Amy Perry- TBF of CT Secretary
